

GM Body Plant Legislature Discussed Workers Returning

DETROIT (AP) — General Motors was ready to start work at 21 Fisher Body plants across the nation today.

The first new GM car produced since the 67-day United Auto Workers strike began is scheduled to roll off the Pontiac Division assembly plant in Pontiac, Mich., Wednesday.

Tentative agreements at the last two GM plants termed crucial to the restarting of production came this weekend. A stamping plant at Mansfield, Ohio, ratified a local settlement Sunday and the Chevrolet plant in Warren, Mich., was expected to follow with a ratification vote today.

A spokesman for GM said the two agreements were needed to "assure that we can go ahead with startup plans."

Leonard Woodcock, UAW president, planned to meet today with representatives of the Ford Motor Co. in Detroit to begin working toward a contract there based on the GM model. Union officials were also slated to meet with Chrysler Corp.

GM officials said that although the startup operation is going smoothly it is "very complex and difficult."

Man Found Dead in Jail

EL DORADO, Ark. (AP) — Douglas H. Maynard, 51, of El Dorado, a prisoner in the El Dorado city jail, was found dead in his cell shortly before midnight Saturday.

A police spokesman said Maynard was being held on charges of public intoxication and disturbing the peace.

Education on Drugs Is Recommended

LITTLE ROCK (AP) — Rep. David Pryor, D-Ark., said Sunday that education on drug abuse and more control of the distribution of drugs is needed to curb the growing national drug problem.

In a speech before the Arkansas Medical Society, Pryor said that every doctor in Arkansas must make a "personal commitment of his own time" to fight the problem.

He commended the society for initiating a series of regional drug education programs.

The congressman said he hoped the society will be the first to apply for and receive funds for drug abuse education under a bill that recently passed both houses of Congress.

The bill, co-authored by Pryor, is awaiting the president's signature.

The bill would allocate \$56 million over a three-year period for drug education and would permit local agencies to contract with the U.S. Department of Education for funding the program at the local level.

The State Legislature was the subject of a talk Rep. Mack McLarty made at the Hope Rotary Club's luncheon meeting last Friday at the Town and Country.

He recalled some stories of past legislative sessions and told of the personal events surrounding his recent campaign which made it look doubtful about his successful outcome.

"I am very optimistic about the new legislature," he said. "New ideas will be voiced, but the most critical question facing the legislators will be an old problem—revenue. He review the issues facing the county, state and nation and pledged to do his best to represent the people.

Floyd Leverett arranged the program and introduced the speaker. Club President C.R. "Dick" Moore welcomed two visiting Rotarians, Joe Crawford of Magnolia and Alex Geddie of Camden, and one additional guest, Capt. Edwin Jackson of Columbus.

day Saigon time, but the U.S. Command in Saigon continued its blackout on all news of the raids. Informed sources said Defense Secretary Melvin R. Laird was doing all the talking to "manage the releases."

Outside North Vietnam, U.S. fighter-bombers and B52s pounded North Vietnamese supply routes through Laos and Cambodia, and the smaller planes strafed and bombed North Vietnamese troops on Cambodia's northern front after the Communists attacked Kompong Cham, 47 miles northeast of Phnom Penh, and Pearn Chikang, 30 miles northeast of the capital.

The U.S. Command said one plane, a twin-engine OV10, crashed near Kompong Cham but the two crewmen were rescued in good condition. The cause of the crash is not known, the Command said. It was the first American plane reported lost over Cambodia since Oct. 11.

The air fleet was strengthened by the 85 planes of the 78,000-ton carrier Ranger, one of America's largest, which arrived in the Gulf of Tonkin over the weekend along with the 75-plane carrier Hancock. The Ranger replaces the Oriskany, another 75-plane carrier which is returning to the United States. The Hancock takes the place of the Shangri La, which has gone home to be decommissioned.

Situation in Control at Prison

CUMMINS PRISON FARM, Ark. (AP)—State Police said today the situation seemed well under control at the state prison this morning after three days of racial fights among the inmates.

The inmates left their barracks this morning to go to work on schedule, said Sgt. Jim Wooten of the State Police, which had sent 75 heavily armed troopers to the prison Saturday night to quell disturbances.

"We are most optimistic," Wooten said. "We feel things are secure."

State Correction Commissioner Robert Sarver credited State Police with quelling the fights, which he estimated involved almost 500 of the prison's 1,160 inmates.

Some authorities told a House subcommittee recently that drugs are an accepted way to treat a nervous disorder known as hyperkinesia—which has excessive activity and inability to concentrate as its main symptoms.

FLOWER DESIGN WORKSHOP

Mrs. Bill Dial, assisted by Mrs. Gail West, both of Malvern, conducted a most interesting flower arranging and design workshop at the Douglas Building on November 18. Mrs. Dial discussed all aspects of design and said that flower arranging is "the art of organizing the elements used according to the principles of design to obtain beauty, simplicity, harmony and interpretation." She said that the principles of design, as in all forms of art, are balance, rhythm, dominance, contrast, proportion and scale. She explained each of the principles thoroughly and made many beautiful arrangements to demonstrate them.

Using materials and containers from Arkansas, Mrs. Dial had flowers and plant material either grown by her or obtained from nearby locations. She also had many unusual Christmas decorations she displayed. The workshop was sponsored by the Hope Council of Garden Clubs.

SHRINE GROUP MEETS

On November 19, 14 members of the Millwood Shrine Club met at the Town and Country for a combination dinner and business meeting. The following officers for 1971-72 were elected:

Going to the bi-district game between Paul Pewitt and Kerens (Tex.) high schools, played at Kilgore Friday night, were Wesley Huddleston and Lee Still. The Paul Pewitt team, coached by Fielding Huddleston, a native of Hope, won.

First Woman Lutheran Minister

COLLEGE PARK, Md. (AP) — "It's just the life-style I have chosen," said the Rev. Elizabeth A. Platz after she became the first woman Lutheran minister in America.

The new minister, ordained Sunday in a ceremony at the University of Maryland chapel, said her new role is not a blow for women's liberation and that she did not seek the ministry to prove a woman could succeed in this field.

The Rev. Miss Platz, a 30-year-old, curly-haired brunette who has served for five years as assistant Lutheran chaplain at the university, approached the altar clad in a simple, white robe.

The Rev. Paul M. Orso, president of the Maryland Synod of the Lutheran Church in America, administered the key symbolic acts of ordination; the laying on of hands and the presentation of the ministerial stole and Bible.

The congregation, which near-

ly filled the 1,200-seat colonial chapel, included officials of all branches of American Lutheranism and representatives of several other church bodies.

Contrasting with the familiar hymns led by the Gettysburg Seminary choir was the gayly-colored chasuble vestment worn by the Rev. Gilbert E. Doan, Holy Communion celebrant and regional director of the National Lutheran Campus Ministry.

Miss Platz herself had decorated the bright green vestment with orange flowers, a pink butterfly and a lapel button reading "Right On."

"If we don't do new styles," she said later, "we lose vigor." But she said she is against throwing out long-standing traditions completely and it was she who requested the traditional liturgy.

The Rev. Donald R. Heiges, president of the Lutheran Theological Seminary in Gettysburg, who delivered the sermon, said "it has taken Lutherans far too long to give women the recognition they deserve in the church."

Asked what qualities she feels women possess that aid the work of a chaplain, the new minister said after the ordination women "generally tend to be more sensitive to persons and at the same time are particularly interested in practical details."

The new minister was born in Pittsburgh and was graduated from Chatham College there and the Gettysburg seminary.

Cardinals Over 80 Restricted by the Pope

By DAVIC MAZZARELLA
VATICAN CITY (AP) — Pope Paul VI directed today that the right to elect popes and hold Vatican office be withdrawn from cardinals past 80.

The aim was to rejuvenate the Roman Curia—the central offices of the Roman Catholic Church—and the secret "conclaves" of cardinals, the only men permitted to vote for a Pope.

It also immediately rekindled speculation about a possible retirement by the Pope himself, who is 73.

The Pope's order came in a Motu Proprio—a document by his own hand. It follows by four years a dramatic appeal by the Pope to bishops to voluntarily retire from active office at the age of 75.

Since then there has been talk never commented upon by the Vatican—that the Pope may be thinking of retiring himself. Today's order reinforced this idea. Paul's two immediate predecessors, Pius XII and John XXIII, both died in office above the age of 80.

Other cardinals affected include Alfredo Ottaviani, former secretary of the congregation for the Doctrine of the Faith, who is 80, and Amleto Cicognani, former Vatican secretary of state, who is 87.

"It has seemed to us," Pope Paul wrote, "that the superior goodness of the Church demands to consider the problem of advanced age even in connection with the eminent office of cardinal, for which many times in the past we have given proof of special care."

"It is an office having particularly grave and delicate roles, because of its singular connection with our supreme responsibility at the service of the entire Church, as well as its high responsibility when the Apostolic See is vacant."

The Pope said he would continue to "count on the counsel and prayers of all the cardinals, without distinction."

DO WOMEN GET FAIR SHAKE ON WOMEN'S PAGES?

Dear Helen:
It seems to me that of all places in the paper, women should be given equal rights on the women's pages. Could they be edited by men?

I mean - look at the fashion

Television and Radio

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK (AP) — Ed Sullivan mined a rich, golden lode Sunday night with an hour dedicated to the music of Richard Rodgers.

The program was exceptional and had a fine nostalgic air about it. It honored the composer for his half century as a music man in an extravagant production in the Hollywood Bowl, a huge amphitheatre that appeared packed with enthusiastic Rodgers fans.

Since the man composed so many songs in so many theatrical hits, it was impossible to do more than hit a few of the high spots in the time. There are undoubtedly thousands of viewers today complaining mildly that a favorite—like some songs from "South Pacific"—were practically ignored.

While the dramatic setting gave the program glamor and importance, the big stage also resulted in some lost production and sound values for the home viewer.

The form of the program was to pick one show—and its hit tunes—from each decade of Rodgers' work. It started with the 1926 "Girl Friend," with Cass Elliot in flapper garb the not too happy choice to sing the title song.

Johnny Mathis and the Lennon sisters did several numbers from the 1930s "Babes in Arms," "Oklahoma" and all its familiar music followed with John Davidson carrying the major tunes. Jeannie C. Riley (of "Harper Valley, P. T. A.") was out of her element singing "People Will Say We're in Love."

Shirley Jones and Herschel Bernardi, however, were great in some bits from "The King and I." And everybody was on stage with a huge chorus of dancers for a "Sound of Music" resume. There was a sharp let-down at the end with Danny Kaye of "Two by Two," Rodgers' new Broadway musical, appearing in street clothes for a short number from the show.

It was the beginning of a most rewarding evening of television for viewers willing to do a little dial twisting. The Educational Network's "Civilisation" concentration on great Italian artists and architects of the 16th and 17th century when the Vatican was built. The camera work, inside and outside the great buildings was superb and Kenneth Clark was delightful in his knowledgeable and witty commentary.

While the emphasis of this remarkable series is on the art of Western civilization, Clark moves easy around in the areas of history, politics, religions—and occasionally tosses in provocative opinions of his own.

has been drilled into the public so systematically in the past 20 years that I wonder what is behind it all. Are subversive interests perhaps subtly trying to depopulate us, so we would be weak, morally, politically, economically, militarily? It seems so, especially when we witness the steady movement toward liberalization of long-standing abortion laws.

Our country is great because of its people. Our present growth rate is only 1.1 percent per year. Our Creator's advice is "increase and multiply." What would happen if our population were reduced to 50 million people? We would be gobbled up by stronger powers!

A White House national goals research staff recently reported that the U.S. population would stabilize in 10 years or so. What we need is decentralization: regrouping our people in the less populated areas - where anyone can see from an airplane there is STILL plenty of space.

As for the Pill: It's dangerous. Abortion is taking human life. I'm FOR people, not for killing them! - V.A.I.

Dear V.:
My readers already know I disagree with much of what you say - and that's a major reason why I'm using your letter. Voltaire, are you listening?

One observation: Our United States population jumped from 151,325,798 in 1950 to an estimated 200,658,000 in 1968, an increase of one-third in 18 years (Census Bureau statistics). Even with the declining birth rate, we added over 20% million people between 1960 and 1968...and that kind of growth can fill a lot of wide open spaces!...Plus create pollution, deplete natural resources and cause untold miseries that come from overcrowding. Local Cage Teams Open on Tuesday

By BILL MOORE
Star Sports Writer

Starting tomorrow, the Hope Bobcats and Ladycats start a fourth month basketball campaign against Ashdown, at home in Jones Field House.

Last year the Bobcats posted a 13-14 record under head coach John Ross, one of the better senior boys records in a few years. And this year promises to be even better with the return of six seniors, 10 juniors, and two sophomores.

Returning seniors include: Parker Powell, 6'0"; Charles Ratliff, 6'3"; Charles Frazier, 6'1"; Roger Newton, 5'11"; Ronnie Massanelli, 5'11"; and Bill Cox, 5'11".

Leading the juniors are: John Dudley, 6'6"; Lynn Norton, 6'3"; and Bill Rowland, 6'2". David Briggs should see much action, with Tim White, Steve Harris, James Bradley, Riley Williams, Glendon Martin, and Danny Boyette also figuring to log some time.

Two sophomores, Buddy Ingram and Danny Joyce, should give plenty of added depth to the varsity and get plenty of B-team experience.

Coach Ross believes that overall the Bobcats have a quick running team with more deft ball handling this year. Scheduling over 20 games, the Bobcats will also participate in two invitational and the 4AA district tournament early in March.

Switching now to the senior girls, a most promising season is in store with eight juniors and seniors returning and seven sophomores off a last year junior high team.

Although last year's record was 7-15, the Ladycats gained valuable experience and Coach Charlotte Gibson thinks Hope can put together a great season. There are 17 games and two invitational tournaments.

Dee Singleton, 6'0" and Janet McCain, 5'9", lead the offense with Cindy Hollis, 5'4", and Betty Honeycutt, 5'3", holding down the defensive side. Others seeing much playing time are: Belinda East, Renee Quillin, Judy Reyenga, Betty Rodden, and Janice Hobson.

Other team members are Sandra Hamilton, Sharon Brown, Rebecca Stuart, Carol Hobson, Julia Brown, and Bonnie Willis. Managers are Debbie Crank, Nan Arnold, and Peggy McElver.

Tonight the junior high Bobkittens and Kittycats travel to Ashdown for their season openers. The first game will begin at 6:30 p.m. and both Hope teams figure to have a winning season if they can put everything together.

Also, I would like to announce that due to two or more games on the same night, at different gamesites, Bud McLarty will be writing some of the junior high and B-team games this year.

Nothing Much Has Changed About Hull

By HAL BOCK
Associated Press Sports Writer

The familiar hook is gone from the blade of his stick but nothing much else has really changed about Bobby Hull.

Chicago's slap-shooting left wing fired the 25th three-goal hat trick of his fabulous National Hockey League career Sunday, leading the Black Hawks to a 9-0 romp over the California Golden Seals.

The three goals gave Hull 11 for the season after a slow start caused at least in part by the league legislation which reduced the allowed curve on the end of the stick to one-half inch.

Elsewhere Sunday night, Gordie Howe scored twice before suffering a chest injury and sitting out the last 28 minutes of Detroit's 4-2 victory over Philadelphia. New York blanked Minnesota 2-0 and Boston took Pittsburgh 4-2.

In Saturday's games, New York edged Montreal 5-4, Boston rapped Philadelphia 5-2, Toronto dropped California 5-3, Pittsburgh whacked Detroit 6-1,

Texas, Hogs Heading for Big Shootout

By MICHAEL A. LUTZ
Associated Press Writer

The Fighting Irish of Notre Dame announced Sunday they'll spend their second straight New Year's Day in the Cotton Bowl. Now all they need is an opponent.

The Irish will have to wait along with Southwest Conference followers for two more weeks before the host role will be decided.

First, No. 1 ranked Texas must dispense with Texas A&M Thanksgiving Day before heading for the Great Shootout No. 2 in Austin Dec. 5 against sixth-ranked Arkansas.

The Razorbacks topped Texas Tech 24-10 Saturday to run its SWC record to 6-0 and eliminate Tech from title contention at 5-2. Texas is 5-0 going into the A&M game and could earn another trip to the Cotton Bowl by beating Arkansas, regardless of the outcome of its game with A&M.

Notre Dame head coach Ara Parseghian said his team voted Sunday to return to the Cotton Bowl where the Irish lost to the national champion Longhorns 21-17 Jan. 1.

The No. 2 ranked Irish also received an invitation from the Orange Bowl, but Notre Dame is shooting for the national championship and a chance to gain retribution for their loss last year.

"It was difficult for our youngsters to make a decision based on what might happen, but they would like to be playing for the national championship," Parseghian said of his team.

Texas head coach Darrell Royal, asked about the possibility of playing Notre Dame for a second straight year in the Cotton Bowl, said: "We're not in the Cotton Bowl. Selecting the visiting team in the Cotton Bowl is the selection committee's business. It's our business to take care of the rest of our schedule."

While the Longhorns were taking the week off "to take care of the rest of" their schedule, Arkansas finally decked the Sun Bowl-bound Red Raiders on three long scoring drives headed up by Hog quarterback Bill Montgomery. But the victory was costly. The Razorbacks, already missing five starters with injuries, lost two more.

Offensive guards Tom Reed and Ronnie Hammers left the game with leg injuries. "We're really crippled up," said head coach Frank Broyles. We had five regulars out before the game and we lost two more today."

In addition to the Texas-A&M tussle Thursday, other SWC games this week include season finales between Rice and Baylor at Waco and TCU and SMU in Fort Worth.

Quarterback Chuck Hixson returned to the SMU lineup for the first time in two weeks and led the Mustangs to a 23-10 victory over Baylor and Rice came from behind to trip TCU 17-15 in the final 26 seconds in other games last Saturday.

Hixson hit four of four passes on a key third period drive that put SMU ahead to stay. Although he suffered three interceptions, Hixson completed 19 of 36 passes for 242 yards in his return.

Rice took a 14-0 lead over TCU on two spectacular third quarter scoring plays—a 99-yard kickoff return by Macon Hughes and a 74-yard touchdown run by John Cardwell. But TCU's James Hodges scored on runs of one and nine yards and a two-point conversion gave TCU the temporary lead.

That set up a pressure-cooker 31-year field goal by Mark Williams with 26 seconds left for the clincher. "It was the greatest thrill of my life," said Williams. "The instant I hit it, I knew it was good."

A dedicated TCU coach Fred Taylor said: "We gave it away. They tried to give it to us and then we gave it back to them."

Does Can Be Taken in 3-Day Hunt

LITTLE ROCK, (AP)—The second deer hunt of 1970 will open statewide Thanksgiving Day and will run for three consecutive days, opening Nov. 26 and continuing through Nov. 28. Hunters may take any deer—including does—in areas open, but dogs may not be used anywhere in the state.

All hunting zones will be open except those zones designated as Zone 23—all of these zones are closed to deer hunting at all times. The other closed areas include all state parks, the Ark. Post National Monument, and the Wapanocca, Holla Bend, and Big Lake National Refuges. The White River National Refuge will be open to a special hunt, but only hunters who have previously drawn permits can participate.

Seventeen wildlife management areas will be closed during the three-day hunt, and the only ones open include the Hope Quail Area, Bayou Meto, Bois d'Arc, Cit-Off Creek, Harris Brake, the St. Francis Sunken Lands, Petit Jean, Sulphur River, and Piney Creek Wildlife Management Areas. All others are closed.

State Wraps Up Perfect Season

JONESBORO, Ark. (AP)—A capacity crowd of 9,000 was on hand here Saturday as Arkansas State wrapped up its first perfect season in history with an impressive 27-3 victory over Southern Illinois University.

The Indians, ranked No. 1 in The Associated Press college division football poll, upped their record to 10-0 and ran their unbeaten string to 18 games.

ASU, Southland Conference champions for the third straight year, is now considered the top contender for a spot in the Dec. 12 Pecan Bowl at Arlington, Tex.

SIU put up a rugged defense and held the Indians scoreless in the first quarter, but then tailback Calvin Harrell went to work. Harrell gained 154 of the team's 155 net yards rushing and scored two fourth-quarter touchdowns.

The 6-1, 213-pound junior ran his season rushing total to 1,13 yards and turned in a dazzling 32-yard run for a TD after a pass reception in the fourth quarter.

With Harrell in high gear, the Indians were in command in the last three quarters.

The Indians' defense limited Southern Illinois to 51 yards on the ground and threw SIU's quarterbacks for 76 yards in losses.

SIU struck first on a 55-yard field goal by Gregg Goodman in the first period. ASU countered in the second quarter on a 25-yard field goal by Bobby Gentry and took an 11-3 halftime lead after a 38-yard scoring pass from James Hamilton to tight end Steve Lockhart.

Gentry added a 23-yard field goal in the third quarter and midway in the final period Hamilton dumped a pass to Harrell who broke four tackles and went in from 32 yards out.

Harrell also scored later in the fourth period on a one-yard run after safety Terry Whiting returned an intercepted pass 58 yards to the nine yard line.

Minnesota shut out Buffalo 3-0, Vancouver took Los Angeles 3-1 and St. Louis tied Chicago 3-3.

Hull, whose 1 1/2-inch hook has always provided him with a whiplash effect on his already potent slap shot, bemoaned the reduction of the curve this year.

LAWRENCE E. LAMB, M. D.

Case of the Blushing Colon

Bowels—The Story They Tell

By LAWRENCE E. LAMB, M.D.

Many readers have asked questions about constipation and bowel problems. Bowel problems seem to be universal, lending some credence to the concept that there are three ages of man—sex, money and bowels—in that order.

Bowel function is markedly affected by emotional patterns as well as physical

and eating habits. The bowel affair begins as soon as the newborn baby arrives with a loud noise at one end and no responsibility at the other. No one is an exception.

The baby learns quickly which actions bring attention and has a remarkable ability to sense his parents' reaction. Soiled diapers lead to handling and attention.

The baby learns if the parents resent giving him this attention or not.

Then comes the time for stool training and the interaction between child and parents becomes more complex. The child senses whether his parents are pleased or unhappy with his performance and now has a new way to manipulate them. An anxious mother stands by her offspring urging, "Do it for mommy," and whether junior does it or not may depend on whether he wants to reward or punish her.

The child who retains his stool, refusing to reward his parents, is said by some psychiatrists to be an "anal retentive" and will tend to collect and retain even in adult life.

The large intestine or colon is one of the most sensitive of human organs. It blushes and pales in response to our emotions. Pain, suggestion of pain, discussing unpleasant subjects or fear cause the wall of the colon to blanch as blood vessels in its wall constrict. The smell of food or eating causes the colon to redden or blush from increased blood flow. Anger, hostility or resentment and guilt cause increased action of the colon and the glands in the walls pour out increased amounts of mucus.

If the colon were exposed to view, few of us would be able to hide our response to life's situations. All other factors being normal, diarrhea, constipation and mucus tell a story.

Dear Dr. Lamb—At what time is a girl most likely to become pregnant—before or after her period?

Dear Reader—A girl is most likely to get pregnant right after intercourse. Particularly if this is 14 days before the time for the next period. This is the time the ova is released and is why a regular menstrual cycle permits a girl to estimate when she is most susceptible to getting pregnant. If the menstrual periods are irregular, you can't estimate from them when the ova is released and ready to be fertilized. So the answer—

usually about halfway between regular periods.

Oswald: "Here is a simple hand that causes no stir in rubber bridge, but separates the men from the boys in a match-point game."

Jim: "Every North-South will get to three no-trump. It doesn't matter what is opened, South will win the lead and knock out the ace of diamonds. Then he can spread his hand and claim four odd."

Oswald: "The duplicate player makes 11 tricks if he knows about three-suit squeezes."

Jim: "He wins the heart lead and knocks out the ace of diamonds. East wins and almost surely leads back the jack of spades. South notes that East did not return his partner's suit and assumes it is because he started with just one heart. He also notes that West played the queen of spades on his partner's jack. Obviously, East is long in spades."

Oswald: "South simply leads back the deuce of spades. East wins but is unable to take another trick." Jim: "It is an automatic three-suit squeeze. Only West can protect hearts. Only East can protect spades. South will cash dummy's last high spade, his last high heart and run all his diamonds. He will discard dummy's last heart on the last diamond and be left with a small spade, the six of hearts and the ace and one club."

Oswald: "It won't matter which opponent started with four clubs. He will have been forced to discard one. West will be holding a high heart and East a high spade, which will leave only three other cards in each hand."

Calley Yet to Be Linked to Massacre

By KATHRYN JOHNSON

Associated Press Writer
FT. BENNING, Ga. (AP) — The court-martial of Lt. William L. Calley Jr. resumes today with the Army prosecutor yet to offer evidence directly linking him with slaughter at the ill-fated hamlet of My Lai.

The stocky little reddish-blond lieutenant, who led an infantry platoon in a combat sweep of My Lai March 16, 1968, is accused of murdering, or directing his men to murder, 102 unarmed men, women and children.

Not one of the witnesses who testified for the prosecution the first week of the court martial has been able to say for sure that he saw Calley at My Lai, a hamlet little more than two miles inland from the South China Sea.

Not one has testified that he saw Calley kill anyone.

Most of the witnesses who have testified were with either the 3rd Platoon of Charlie Company—Calley commanded the 1st—or with mortar or artillery observer teams attached to the company for the My Lai assault.

The 3rd Platoon initially was held in reserve to protect the helicopters carrying troops to the My Lai landing zone.

Platoon members testified they stormed into My Lai and armed with three times their usual load of ammunition, expecting to meet the crack Viet Cong 48th Battalion and instead encountered no hostile fire.

No members of the 2nd Platoon or of Calley's 1st Platoon, who first entered the village on the sweep, have testified.

One of the specific acts with which Calley is charged is the murder of 30 Vietnamese civilians along a dirt trail. Another is ordering 70 Vietnamese civilians into a ditch, then assisting with M16 automatic rifle fire in a cold-blooded execution.

The 27-year-old defendant faces a maximum penalty of death if convicted on the murder charges.

The chief Army prosecutor, Capt. Aubrey Daniel III, last week handed each My Lai eyewitness a cardboard-backed color picture of bodies strewn along a dirt trail.

WASHINGTON (AP) — The new senators who take office in January are equal—but they'll soon find out that some are more equal than others.

Though all 10 will become senators the same date, the Senate Rules Committee has already prepared a seniority listing to help in such things as selecting offices, parking places and Senate desks.

It's a system that has been used for more than a quarter of a century.

Thus, Hubert H. Humphrey of Minnesota, returning to the Senate after a six-year absence, will be No. 91, while Lawton Chiles Jr. of Florida will be No. 100.

One new senator, Adlai E. Stevenson III of Illinois, occupied his seat last Tuesday, since he was elected to fill the last four years of the term of the late Everett M. Dirksen. Stevenson is now No. 100, but in January he will outrank his fellow newcomers as No. 90.

For those who take office the same date, they are ranked in this order: former senators (Humphrey is the only one), former House members (seven of the newcomers), and James Buckley of New York and Chiles.

WASHINGTON (AP) — As many as 30 per cent of the children in some elementary schools may be receiving drugs to quiet them down, a government investigator told Congress today.

"This is a sober estimate I have heard," Dr. Leo E. Hollister, a medical investigator for the Veterans Administration, said in testimony prepared for a Senate subcommittee beginning four days of hearings on government drug-buying practices.

Rehearing on Real Estate Tax Denied

LITTLE ROCK (AP) — The Arkansas Supreme Court denied today a petition for rehearing on the state real estate transfer tax.

This means the high court stands by its Oct. 19 decision, which held that the tax was legal but that the manner in which the law appropriated the money was invalid.

Martin Borchert, former mayor of Little Rock, who filed the original suit, had sought the rehearing.

The court's action permits the state Revenue Department to continue to levy the tax, which is levied at the rate of \$1.50 for each \$500 value, but bar appropriation of the funds until the legislature takes further action to distribute the money.

The Supreme Court's Oct. 19 decision struck down a section allocating 40 per cent of the collections to the Arkansas Children's Colony Board and other section allocating 40 per cent to the state Parks, Recreation and Travel Commission.

Those sections specifically declare those portions of the revenue to be cash funds not to be deposited in the state treasury. The funds were to be deposited in banks subject to withdrawal by the Colony Board, on one hand, and the Parks Commission on the other.

Rendering the funds subject to withdrawal at the pleasure of the board and commission rendered these sections unconstitutional, the high court said.

New Senators to Soon Find Out That Word Equal Doesn't Count

By CARL P. LEUBSDORF

Associated Press Writer
WASHINGTON (AP) — The new senators who take office in January are equal—but they'll soon find out that some are more equal than others.

Though all 10 will become senators the same date, the Senate Rules Committee has already prepared a seniority listing to help in such things as selecting offices, parking places and Senate desks.

It's a system that has been used for more than a quarter of a century.

Thus, Hubert H. Humphrey of Minnesota, returning to the Senate after a six-year absence, will be No. 91, while Lawton Chiles Jr. of Florida will be No. 100.

One new senator, Adlai E. Stevenson III of Illinois, occupied his seat last Tuesday, since he was elected to fill the last four years of the term of the late Everett M. Dirksen. Stevenson is now No. 100, but in January he will outrank his fellow newcomers as No. 90.

For those who take office the same date, they are ranked in this order: former senators (Humphrey is the only one), former House members (seven of the newcomers), and James Buckley of New York and Chiles.

Within each category, the

Nixon Dangles Veto to Back Spending Bill

By WALTER R. MEARS

AP Political Writer
WASHINGTON (AP) — President Nixon dangled the lure of a comprehensive campaign reform bill next year in an attempt to win Senate support today of his veto of a bill to limit spending for political broadcasts.

Senate Republican Leader Hugh Scott of Pennsylvania Sunday released a letter from the President supporting his plan to introduce a broader bill covering all news media.

In the letter, Scott said, Nixon pledged to work closely with Congress and the governors "to arrive at a bill which will deal with all problems of political campaigns, including spending limitations in a direct, effective and enforceable manner."

Speaking of the two-thirds Senate vote needed to override Nixon, Scott said it would be "as close as a senator's whisker"—within one or two votes either way.

Senate Democratic Leader Mike Mansfield agreed with Scott that odds were slightly in favor of upholding the veto.

Scott and Mansfield appeared on ABC's Sunday interview program "Issues and Answers."

The Senate originally passed the bill 60 to 19. Democrats said before this afternoon's vote they were counting on 61 solid votes to override and looking for more from a bloc of about 10 undecided senators.

In vetoing the bill Nixon said reform should be across the board, not be limited to a single avenue of political advertising.

Nixon argued the broadcast limit might lead to increased spending as candidates shifted their advertising to other, less effective and therefore more expensive avenues to the voter.

Some Democrats have charged Nixon vetoed the measure because Republicans are in good shape financially, while Democrats are deeply in debt.

Scott said the vetoed bill discriminated against the radio and television industry, and favored incumbent candidates because it set few limitations on expenditures during primary elections.

Among proposals mentioned by Scott for his comprehensive measure were limits on campaign expenditures, a limit on campaign time and a system to allow citizens to write off political contributions as tax deductions.

Winter Really Blew Into Arkansas

By THE ASSOCIATED PRESS

Winter blew into Arkansas Sunday as a cold Arctic air front forced its way into the state.

The National Weather Service says the cold weather and strong winds will continue through Tuesday night.

By Wednesday, some warming will occur, but the trend will be short-lived as more cold weather is expected by Friday.

Highs Sunday ranged from 57 at Fayetteville to 73 at Texarkana and El Dorado.

Overnight lows were Fayetteville, 23; Harrison, 21; Jonesboro, 29; Pine Bluff, 33; Texarkana and El Dorado, 36; Memphis, 31 and Little Rock, 32.

A trace of precipitation was recorded at El Dorado during the 24-hour period ending at 6:30 a.m. today.

Democrats Critical of Bombings

By KENNETH J. FREED

Associated Press Writer
WASHINGTON (AP) — The U.S. decision to bomb anti-aircraft sites deep in North Vietnam has drawn intensive criticism from congressional doves already seeking to reopen a policy debate over President Nixon's Southeast Asia program.

With many Senate Democrats still rankled over Nixon's request last week for \$155 million in new aid for Cambodia, Majority Leader Mike Mansfield said Sunday the 30 hours of weekend raids points to an increased, not lesser, American role in Indochina.

"I think it (the bombing) means a reinvigoration, even if it is only on a temporary basis," the Montana Democrat declared. "I think it could well stiffen the spine of Hanoi and I think it could well retard negotiations in Paris."

In disclosing the raids Saturday, Secretary of Defense Melvin R. Laird said the planes—some 200 of them, sources have reported—conducted "limited duration protective reaction strikes" against North Vietnamese missile and anti-aircraft installations to answer "attacks on our unarmed reconnaissance aircraft."

Senate Minority Leader Hugh Scott, Mansfield's Republican counterpart who earlier asserted Democratic attacks on Nixon's Cambodia aid plan were motivated by 1972 presidential politics, made a strong defense of the bombings.

"We have had men killed in unarmed reconnaissance planes," Scott said Sunday. "I would expect that there would be considerable concern over our dead in this matter and the obligation of the United States to redress that kind of wrong."

The Pennsylvania senator added "I do not look for continuing bombing..." He also expressed skepticism that the raids would affect the moribund peace talks in Paris.

Both senators appeared Sunday on ABC's "Issues and Answers" interview broadcast.

In touching on the Cambodia aid proposal, Mansfield declined to characterize the growing Democratic criticism of the plan along with the bombing as an effort to bring about a confrontation.

But, he said, "I am not at all happy about getting involved in a new economic aid program with Indonesia, because I think it is only the start..."

"It will mean military and economic missions and it seems to me possibly to be a repetition of the old pattern in Vietnam."

In another development Sunday, Pentagon sources said the major reason behind the weekend raids was to "remind the other guy what the rules of the game are, whether he understands them or not. Whether he understands them is not particularly important. The signal is the thing," an indication the reconnaissance flights would go on.

The reference was to an understanding between the United States and Hanoi, said to have been made when former President Lyndon Johnson stopped the bombing of the North just a little more than two years ago.

Turkey Day Death Toll Set at 670

CHICAGO (AP) — An estimated 670 to 770 persons will die on the nation's highways during the four-day Thanksgiving holiday, the National Safety Council says.

The council also predicted Sunday that 29,000 to 34,000 persons will be injured in traffic mishaps over the long weekend which runs from 6 p.m. local time Wednesday, Nov. 25, to midnight Sunday, Nov. 29.

The council said 696 persons died in traffic accidents during last year's Thanksgiving holiday weekend.

Reconnaissance Planes Return Over North to Assess Bombing Raids

BULLETIN
WASHINGTON (AP) — The Pentagon refused today to rule out the possibility U.S. war planes struck the Hanoi-Haiphong area during weekend raids against North Vietnamese missile and anti-aircraft sites.

SAIGON (AP) — U.S. reconnaissance planes returned to the skies over North Vietnam today to assess the damage caused by the massive weekend American bombing raids.

Court Lets Obscenity Ruling Stand

WASHINGTON (AP) — The Supreme Court let stand today, 5-3, a ruling that no photograph of the female anatomy can be held obscene, whatever the pose, so long as sexual activity is not depicted.

Justices Hugo L. Black, William J. Brennan Jr., Byron R. White, Potter Stewart and Thurgood Marshall joined in refusing to review the ruling, issued by the U.S. Circuit Court in Boston last June in a case involving two Boston booksellers. Justice William O. Douglas did not participate.

Chief Justice Warren E. Burger and Justice Harlan and Harry A. Blackmun dissented. They said they would have reversed the ruling, based on their already-regarded views that states should have considerable leeway to move against obscenity without interference by the Supreme Court or federal appeals courts.

The booksellers, Joseph Hunt and Joseph Palladino Jr., had served a few days of their three-month jail sentence for selling obscene magazines when their attorneys petitioned the federal court in Boston.

The petitions were denied but then the U.S. Circuit Court in a decision written by Chief Judge Bailey Aldrich said "no photograph of the female anatomy, no matter how posed if no sexual activity is being engaged in, or however lacking in social value, can be held obscene."

Aldrich said the ruling was compelled by rulings of the Supreme Court. The case involved allegedly obscene magazines.

The state of Massachusetts appealed for a reversal. Its attorneys said Aldrich's opinion was a "clear departure" from decisions of the Supreme Court and other circuit courts.

The High Court said that since John R. Graves had signed the information charging McDonald no error had been committed because he did not prosecute the case. However, the Court said that Albert Graves Jr. should not have been appointed to the case.

Boycott of Peace Talks Indicated

PARIS (AP) — Xuan Thuy, chief of the North Vietnamese delegation to the Paris peace talks announced today his delegation will boycott Wednesday's scheduled session of the talks.

He had scheduled a news conference amid speculation that Hanoi would skip the next session because of U.S. air raids on North Vietnam over the weekend.

North Vietnam said at the time the raids "seriously threaten the Paris conference on Vietnam."

Last May the Communist delegations to the peace talks refused to attend one session following American air attacks on North Vietnam.

In announcing his decision at a news conference at the delegation headquarters in Champs-Élysées, a suburb south of Paris, Thuy said his delegation would return to the meetings Dec. 3.

Man Drowns in Arkansas

KEOTA, Okla. (AP) — Divers were to continue searching today for Dennis Aulos, 27, of Fort Smith, who apparently drowned Sunday in the Arkansas River near here.

Police said a boat that Aulos was riding in overturned. He was duck hunting near the Saylor Bottoms area, authorities said.

Two other men, Harold Yandell, 25, and Tim Hendricks, 24, said they managed to swim to shore but Aulos went under.

Eight Persons Lose Lives on Highways

By THE ASSOCIATED PRESS

Eight persons lost their lives on Arkansas' highways this weekend. The total was skyrocketed when four persons died Saturday in a one-car accident near Trumann.

The weekend fatality count began at 6 p.m. Friday and ended at 6 p.m. Sunday.

Wanda D. Green, 15, of near McNeil, was killed shortly before midnight Sunday on Arkansas 98 near Waldo.

State Police said she was a passenger in a car driven by Jerry Murry, 17, of Texarkana. Officials said Murry lost control of his car after passing another car.

The four persons who lost their lives in a one-car accident, were killed Saturday when their car went out of control in Mississippi County.

State Police identified the victims as Ike Knight, 60, of near Blytheville; Pennie Burns, 50, of Blytheville; Edna Knight, 74, of Blytheville and Mary Chism, 74, of Blytheville.

Alice Edmonson, 63, of near Bryant was killed Sunday when a car in which she was a passenger struck a pickup truck on a Saline County road near Bryant.

Carla June Brown, 12, of Rogers was killed Friday night inside the Rogers city limits when she was struck by a car. Police said they arrested a man in connection with the girl's death.

State Police said Donald Harold Mason, 17, and Judy Ann Babb, 17, both of Pleasant Plains, were killed in a two-vehicle accident 18 miles south of Batesville Friday night on U.S. 167.

3,800 More to Leave Vietnam

SAIGON (AP) — The U.S. Command announced today a drop in American troop strength in South Vietnam of 3,800 men, reducing the total still here to 360,000.

The present level is the lowest in four years. American troop strength in November 1966 during the big American buildup stood at 359,400.

Under the fifth phase of the U.S. withdrawal program, troop strength is scheduled to drop to 310,000 by the end of this year.

Notre Dame Returning to Cotton Bowl

By HERSCHEL NISSENSEN

Associated Press Sports Writer
With Notre Dame, Ohio State, Tennessee and seven other teams accepting bowl bids over the weekend, the three big puzzlers remaining are—if, when and who.

Despite losing 3-0 to second-ranked Notre Dame on Saturday, seventh-ranked Louisiana State will go to the Orange Bowl against Nebraska ... If the Tiggers win their two remaining games against Tulane and Mississippi.

The Associated Press learned that the Peach Bowl has invited Georgia to be the host team ... if the Bulldogs beat Georgia Tech. If they lose, it will be North Carolina, with possibly Colorado or Arizona State as the visiting team.

That would leave only the Liberty Bowl open, but with plenty of teams from which to choose.

Meanwhile, ninth-ranked Arizona State, 9-0 following a 33-21 victory over New Mexico for the Western Athletic Conference title, was wondering when a bid would be forthcoming. The team voted Sunday to accept a bid to any bowl and then Coach Frank Kush, with no game this Saturday, took off for a day or two of fishing.

The nation's top teams are reluctant to face Arizona State—the prevailing attitude is, "Who needs it? It's not like losing to Notre Dame"—and the Sun Devils aren't considered the best television attraction.

"But," said an Arizona State spokesman, "we need the national exposure TV would give us. This is a crucial point in the football program of the school and a bowl would kind of put us over the hump."

Unbeaten Notre Dame chose a return trip to the Cotton Bowl Sunday to meet the Texas-Arkansas winner. The Fighting Irish also had a bid from the Orange Bowl, which apparently will invite the Texas-Arkansas loser if LSU doesn't come through.

"It was difficult for our youngsters to make a decision based on what might happen," said Notre Dame's Ara Parseghian, "but they would like to be playing for the national championship. That would be ideal."

Top-rated Texas did not play Saturday.

Coach Charlie McClendon of LSU told the Orange Bowl committee: "We want to earn our way into your bowl. After that game with Notre Dame, I don't think we would disappoint any bowl."

Fourth-ranked Ohio State got its 20-9 long-awaited revenge over No. 5 Michigan, finishing the regular season as unbeaten Big Ten champs and earning a trip to the Rose Bowl to play Stanford. Coach Woody Hayes called the 1970 Buckeyes "the greatest team we've ever had here."

Stanford, ranked 11th, warmed up for the Rose Bowl by losing to California 22-14, the Indians' second straight defeat, as Cal's Dave Penhall outshone Jim Plunkett.

Tennessee, rated eighth, blasted Kentucky 45-0 and nailed down a Sugar Bowl berth against 10th-ranked Air Force, which ran into fired-up intrastate rival Colorado and absorbed a 49-19 pounding.

Third-ranked Nebraska, en route to the Orange Bowl, squeaked past Oklahoma 28-21 for a 10-1 mark and the Big Eight crown. The Sooners headed for the Astro-Bluebonnet Bowl against idle Alabama.

Arkansas, No. 6, turned back Texas Tech 24-10, sending the 19th-ranked losers into the Sun Bowl against No. 17 Georgia Tech, which had the weekend off.

Two other idle teams—Nos. 12 Mississippi and 13 Auburn—were picked for the Gator Bowl, setting up an Archie Manning-Pat Sullivan quarterback duel.

Amazing William & Mary, with only a 5-6 over-all record, captured the Southern Conference crown with a startling come-from-behind 34-33 triumph over Richmond and will oppose unbeaten Toledo in the Tangerine Bowl. The 15th-ranked Rockets downed Colorado State 24-14.

San Diego State, rated 14th, had its 31-game unbeaten streak snapped by Long Beach State Friday night 27-11. One of the two teams will represent the Pacific Coast Athletic Association

tion in the Pasadena Bowl against Louisville.

Dartmouth, which isn't going anywhere except back to Hanover, N.H., won the Ivy League championship and finished 9-0 with a 28-0 rout of Penn. It was the fourth consecutive shutout and sixth of the season for the 16th-ranked Big Green.

Northwestern, No. 18, edged Michigan State 23-20 on Bill Planisek's third field goal, a 27-yarder with 48 seconds left. And No. 20 Penn State whopped Pitt 35-15, leading Coach Joe Paterno to suggest a Penn State-Dartmouth playoff for the mythical Eastern throne.

Ivy League rules make that impossible and Dartmouth promptly accused Penn State's Joe Paterno, an Ivy League grad, of "trying to salvage the Lambert Trophy." The winner will be announced today and Dartmouth has been the unanimous leader for two weeks.

Harrell Big Gun Arkansas State Win

By THE ASSOCIATED PRESS

Calvin Harrell of Arkansas State and Patrick Gibbs of Lamar Tech played key roles in their teams' victories in Southland Conference action last Saturday.

Harrell rushed for 154 yards on 36 carries and scored one touchdown — on a 32-yard pass — to direct the No. 1 ranked Arkansas State to a 27-3 victory over Southern Illinois.

Gibbs, a flanker, nagged two touchdown passes — one a 56-yard shot — in the second half as Lamar Tech defeated winless UT-Arlington 24-0 for its first SLC victory in 13 starts.

Lamar Tech led by only 3-0 at halftime on Ronnie Baird's field goal.

Trinity plays at Southern Mississippi Saturday and Abilene Christian and McMurry close out the campaign next Monday. In the only other action last week, UT-El Paso defeated Trinity 37-16 on Thursday.

Pistol Pete Looking Like a Winner

By KEN RAPPOPORT

Associated Press Sports Writer
Look who's winning games in the National Basketball Association, for Pete's sake!

The Atlanta Hawks, led by rookie rifle Pete Maravich for the second straight night, the Hawks ambushed Philadelphia 125-115 Sunday. Pistol Pete matched Saturday's season high by notching 32 points as Atlanta won its second in a row after a miserable 3-12 start.

Phoenix clouted Cleveland 114-99 for the Cavaliers' 22nd defeat in 23 games; Milwaukee powered past Portland 126-104 and Los Angeles lashed Seattle 149-124 in the other NBA games.

In the American Basketball Association, Carolina beat New York 108-92; Texas Stomped Pittsburgh 139-126 and Memphis mauled Denver 141-121.

In Saturday's night's NBA games, it was New York 102, Cleveland 94; Cincinnati 114, Detroit 102; Atlanta 130, Baltimore 103; Chicago 110, Boston 107; Phoenix 125, Philadelphia 119; Portland 112, Buffalo 108; Milwaukee 107, San Francisco 102 and San Diego 115, Seattle 112.

In the ABA, it was Kentucky 114, New York 92; Pittsburgh 114, Carolina 100; Memphis 119, Texas 106; Floridians 147, Texas 132 and Virginia 110, Indiana 103.

Maravich, Walt Hazzard and Lou Hudson combined for 40 points in the third quarter when Atlanta wiped out a 52-47 Philadelphia lead to enter the final period with a commanding 92-78 margin. Hazzard had 28 and Hudson 24 points for the game.

Dick Van Arsdale put Phoenix on top with key buckets twice in the third period and Connie Hawkins scored 10 of his 29 points in that stanza as the Suns fought back from a 53-52 half-time deficit.

Low Alcindor scored 30 points and Bob Dandridge had 28 as Milwaukee won its 14th straight. The Bucks broke it open with an eight-point spree within 50 seconds of the third period.

Wilt Chamberlain had 31 points and 21 rebounds and Jerry West had 26 points, 11 assists and nine steals for Los Angeles.

Bob Verga scored 18 of his 27 points and Frank Card had 17 of his game-high 29 markers in the first half, helping Carolina to a 20-point bulge over the Nets and a runaway victory.

Al Unser Disqualified at Phoenix

PHOENIX, Ariz. (AP) — Al Unser, winner of the Indianapolis 500 and U.S. Auto Club championship, was disqualified Sunday as second-place finisher in the annual Bobby Ball Memorial Race.

A USAC official in Indianapolis said an inspection after Saturday's 150-mile race disclosed that Unser's car had a fuel capacity of 75 gallons and three quarts. USAC rules say the maximum is 75 gallons.

The spokesman said that it was probably a decisive factor since Roger McCluskey of Tucson, Ariz., leading in the final laps, ran out of gas and coasted across the finish line in third place. Swede Savage of Santa Ana, Calif. set a record in finishing first.

The USAC official said Unser has until 9 p.m. EST Tuesday to file an appeal. If he does, a conference will be called. The official said his 24th place finish will stand if no appeal is filed.

The disqualifier moved McCluskey up to second place and all other drivers up one notch.

Ouachita in Big Victory Over Reddies

By THE ASSOCIATED PRESS

Ouachita Baptist University blistered Henderson State College 36-0 Saturday night and earned a share of the 1970 Arkansas Intercollegiate Conference championship.

Ouachita and Arkansas Tech ended the season with a 5-1 conference record.

The tie for the championship of the AIC was the fourth in eight seasons.

In other AIC action Saturday, Harding defeated State College 20-14, Southern State blanked Arkansas A&M 7-0 and Arkansas Tech edged Arkansas AM&N 24-21.

Harding ended the season with its first victory ever over SCA. Split end Ronnie Peacock set a conference record for pass receiving. He grabbed seven passes — two for touchdowns — and finished the season with a record 62 receptions.

Southern State was chilled with minus 12 yards rushing, but was able to collect 100 yards in the air, including an eight-yard touchdown pass from Phil Brooks to Bill Palmer, in a defensive struggle with A&M. Fumbles played a major out-come in the Tech-AM&N contest.

The Golden Lions pounced on Tech bobbles at the eight, nine and 44 yard lines and scored after all three.

Partee Entry Really Likes Churchill

By ED SCHUYLER JR.

Associated Press Sports Writer
W.C. Partee's Line City obviously likes Churchill Downs, and that's a good track for a promising 2-year-old to like.

Line City made the \$64,685 Jockey Club Stakes Saturday the first stakes victory of his career and his third straight win at the Downs—site of the Kentucky Derby.

Whether Line City will be the best horse in the Derby next May, if he's in the Derby, remains to be seen, but he was the best in the Jockey Club Stakes by a length over James J. Houlihan's Granbid. J.L. Adams' and T.E. Wood Jr.'s Douthan was third.

Line City, ridden by Don Brumfield, paid a winning mutual of \$8.40 after running the mile in 1:36.45.

In Saturday's big race for 3-year-olds and up, Sigmund Sommer's Hitchcock scored his first victory in 16 starts this year and his first in the United States with an upset in the \$53,300 Galant Fox Handicap at Aqueduct. Hitchcock represented Germany in the Washington, D.C., International as a 3-year-old in 1969.

Eddie Belmont rode Hitchcock, 112 pounds, over the 1 1/4 miles in 2:41.3-5 for a 1 1/4-length margin over C.V. Whitney's Champion, with John M. Olin's Romanesco third. The winner returned \$40.60.

It was Champion's last race in the Whitney silks. The 5-year-old was to be sold today at a sale of horses of racing age at Belmont Park.

CALENDAR OF EVENTS

THANKSGIVING SERVICE AT BETHEL CHURCH

Annual Thanksgiving Worship Services will be observed at Bethel A.M.E. Church, 418 South Laurel Street here in Hope, Wednesday night at 7:00 O'clock.

The senior choir will furnish the special Thanksgiving music. Special prayer service will prelude the Thanksgiving session. Thanksgiving Litany (hymnological and scriptural sentences) will be said by the youth leaders and the congregation alternating. Youth leaders will include: Mrs. Loretta Hall, Roy L. Ross, Kenneth Muldrew, Rogers Hicks, Jr., Miss Cornelia Bishop and Thomas Arthur Williams.

The pastor, Dr. W.G. Wynn, who will preach on the subject, "Thanksgiving, When, Where, How", will also formally usher the church's Christmas worship spirit observance in by singing in the Latin version, "O Come All Ye Faithful", with the choir responding in English. Mrs. Esther Hicks, Church Organist, will be at the Hammond organ console.

The membership of Bethel is urged to be present and the public is cordially invited to attend this great service.

The Woods Sisters of Malvern, Arkansas will sing at Mt. Pleasant C.M.E. Church Sunday night November 29th at 7:30.

SOUTHWEST DISTRICT ASSOCIATION MEETS

The 102nd annual session of the Southwest District Missionary Baptist Association held its session with the Mt. Zion Baptist Church, Malvern, Arkansas October 20-23, 1970 with the Rev. D.D. Stafford, host pastor.

The group was welcomed by the Mayor and other groups of the city. Brother C.G. Carmichael, president of the C Division of the Singing Convention presented his group that rendered music for the occasion. Rev. A.G. Easter, Statistician, and Rev. G.L. Hughes participated on the program.

A memorial service was held in memory of those who have passed away, but will ever be remembered for their outstanding work in the Southwest and other divisions of the Baptist Church.

The annual State Baptist Convention will be held in Hot Springs, November 24-27, 1970. J.C. Whitlow, Reporter.

OBITUARIES

Mrs. Dora Stewart of Washington, Arkansas passed away November 21, 1970. Among her survivors is a daughter Mrs. Gunzella Huntley of Washington. Funeral arrangements are incomplete and will be announced by Hicks Funeral Home, Inc.

Mrs. Willie Young passed away in a Nashville, Arkansas hospital November 22, 1970. Funeral arrangements are incomplete and will be announced by Hicks Funeral Home, Inc.
